Custom workspace pricing

If your team needs more seats or file storage than a standard plan includes, we can quote for the capacity you need.

Standard plans

Plan	Team seats	Storage	Monthly	Annual
Solo	1	10 GB	€19	€190
Starter	3	25 GB	€39	€390
Team	10	50 GB	€89	€890
Studio	25	100 GB	€169	€1,690

Prices are per workspace in EUR, excluding applicable VAT. The annual price covers 12 months and is billed in one payment.

What your quote covers

Every plan includes tools for organizing campaigns, checking files, tracking versions and collecting client approvals. Clients reviewing files through a shared link do not use a team seat.

Custom pricing is agreed individually. Your written quote will specify the number of team seats, included storage, billing period and total subscription price.

Request a quote

Email your company name, country, team size, expected storage and preferred billing period (monthly or annual). Sending an enquiry carries no charge or commitment.
